Mirror, The W  
and more...

# Uluwatu

About uluwatu: Famous for great surfing, amazing sunsets, big beach clubs but also lovely 'secret' beaches.

## Padang Padang Beach

A truly lovely beach with a big surf break offshore. It is a bit of a stroll down and you have to squeeze through a cliff to get to the beach, but totally worth it.

Other options: Nyang Nyang Beach, Bingin Beach, Green Bowl Beach, & more.

## Suluban Beach

(a.k.a. Blue Point)

Epic high tide / low tide difference.

## Melasti Beach (Pandawa)

## Balangan Beach

# Ubud

Your ticket for temples, rice terraces & tranquility.

**Ubud Palace**

**Campuhan  
Ridge Trails**

**Insta Swing**

**Monkey  
Forrest**

In a place where different kind of accommodations is on offer, Beyond Bungalows really does stand above the rest. Situated in Padang Linjong, only a minute away from the famous Batu Bolong beach, Beyond Bungalows is a boutique bungalow complex where they go far beyond expectations of the guests. They create a chic yet comfortable oasis from the hustling and bustling of the Canggu area. Using a combination of contemporary architecture and Balinese influences in their design and décor, expect to find the most Instagram-able spot on every nook and cranny of this place.

Beyond Bungalows housed a total of 7 bungalows with 1 bedroom. Each one is equipped with a private and stylish outdoor shower area and all the units have a unique layout. There are two bungalows with an exotic bathtub, very much loved by travelers who enjoy the lushness of soaking up in a bath filled with flower petals. There are also two king bungalows with their lavish outdoor shower that provide really cool vibes. And the two twin bungalows are perfectly suited for friends to share and offer a lovely pool view. The crème de la crème of this property is the luxury superior bungalow with a bespoke living lounge and private kitchen. Each bungalow has been specifically designed to create a homey ambiance by the owners, and they traveled the world to find one-of-a-kind pieces. Here, you'll find items from all over Bali, but also Spain, China, Morocco, Turkey, and Northern Europe to give a local vibe with international allure for the guests.

Being in the close proximity of Canggu, guests who are staying here will be able to find what they are looking for. Those who are into inner peace, meditation, and healthy food will find Beyond Bungalows as a perfect starting point. Right across the alley, you'll find the famous Samadi yoga studio and all restaurants that serve amazing vegan, vegetarian, and power foods are just around the corner. For those who enjoy an active and sporty lifestyle, Beyond Bungalows will be more than happy to help you with directions to the best surf beaches and is able to help organize a scuba dive or motor cross trip. If you're looking to lay low while on holiday, take advantage of the two-connected pools that are on-site.

Although Beyond Bungalows is not a 5-star accommodation, their strongest point lies on the personal touches that you can feel through their hospitality. Each staff is more than willing to help make your stay more enjoyable and memorable. Along with the homey ambiance of the place, Beyond Bungalows really does create the perfect oasis that one might seek while vacationing on the island of the Gods. Bali is what you make of it and Canggu is just a little part of this. Simply open your heart to all the fellow travelers around you and the truly amazing Balinese people and you will discover a paradise filled with love.
